No person in the United States shall, on the basis of actual or perceived race, color, religion, national origin, sex, gender identity (as defined in paragraph 249(c)(4) of title 18, United States Code), sexual orientation, or disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under [VAWA], and any other program or activity funded in whole or in part with funds appropriated for grants, cooperative agreements, and other assistance administered by the Office on Violence Against Women.

Community Education Programs

**Albany County Crime Victim
and Sexual Violence Center**

Proudly serving the community since 1975

Albany County Crime Victim and Sexual Violence Center
is a department of Albany County government

OUR MISSION

The mission of the Crime Victim and Sexual Violence Center (CVSVC) is to provide direct and comprehensive services to all individuals affected by sexual assault and other crimes of personal violence. Utilizing therapy, advocacy, community mobilization, prevention education and bystander engagement, CVSVC seeks to change societal conditions that allow and perpetuate oppression.

OUR SERVICES

The Albany County Crime Victim and Sexual Violence Center provides a comprehensive range of services to emotionally and physically injured crime victims in Albany County. Services are available to anyone of any age who has experienced a sexual assault or other violent crime at any time in his or her life, or who has been affected by someone else's assault.

The Center provides information, referral services, criminal justice advocacy and therapy to crime victims. Professional staff and volunteers assist victims in filing claims for compensation through the New York State Office of Victim Services. Courts, police records and referrals from other agencies help identify crime victims in Albany County who qualify for our services.

The Center operates a 24-hour sexual assault hotline for crisis counseling and advocacy at Albany County hospitals and police stations for victims of sexual assault.

Free, confidential therapy for victims of violent crime, including sexual assault, interpersonal violence, assault and homicide is available Monday through Friday by appointment. Friends and family members of crime victims may also schedule therapy appointments. Therapy is offered in individual, family or group sessions.

OUR EDUCATIONAL PROGRAMS

The Center provides free training to civic, education, business and professional groups in Albany County. Presentations are tailored to the interest, need, skill level, age, and education level of the audience. Topics include personal safety, healthy relationships, communication skills, stalking, sexual assault/consent, bullying, bystander intervention and workplace violence. Programs can be applied to professional settings as well as the classroom.

FORMAT OF PROGRAMS

Our education programs can be designed into one-session, multi-session or ongoing workshops, based on the needs of the organization and the audience with which we are working. Multiple sessions and ongoing workshops are most effective to ensure sustainability of information.

ALL SERVICES ARE FREE

PROFESSIONAL TRAININGS (continued)

<p>Athletic Directors and Coaches</p>	<p>This training provides professionals in athletics with the resources and tools to create a safe social environment that promotes enjoyment, team work, sportsmanship and a zero tolerance policy for any form of abuse; including bullying, harassment, physical violence, sexual violence and stalking. Discussion addresses how acts of violence affect team dynamics and includes warning signs; prevention; consequences; working with parents; handling disclosures; and NYS mandated reporting laws.</p>
<p>Community Service Providers</p>	<p>This training is customized to service providers in various fields; including LGBT, substance abuse, mental health, gerontology, child care, therapy/counseling, medical, and shelter services. Participants are given resources and tools to better service domestic violence and sexual assault victims within their scope of practice. Discussion includes common myths; common emotions and responses of victims; the stages of victimization and healing; and reporting and medical options.</p>

PROFESSIONAL TRAININGS

<p>First Responders</p>	<p>This training provides police officers, emergency medical technicians, fire department personnel, security officers and public safety personnel with the resources and tools to assist in interactions with victims of sexual assault or intimate partner violence. Discussion includes sensitivity training and victim dynamics.</p>
<p>Medical Professionals</p>	<p>This training provides information on screening patients for intimate partner violence and sexual assault; handling a disclosure; when and how victims typically present for medical care; common symptoms and emotions following a sexual assault; symptoms of a drug-facilitated sexual assault; treatment options; the purpose and process of forensic evidence collection; and the importance of provider self-care.</p>
<p>Military Entry Training</p>	<p>This training provides entry-level military applicants with information about intimate partner violence and sexual assault. Discussion includes common myths; how to help a friend or loved one; reporting and medical options; common emotions and responses from victims; and the stages of victimization and healing.</p>
<p>School Administrators, Teachers, Nurses, Social Workers, Counselors</p>	<p>This training provides professionals with information to identify and respond to students' behaviors and disclosures of sexual assault. Discussion includes NYS mandated reporting laws; reporting incidents of suspected child abuse or maltreatment to the State Central Registry (SCR); indicators of abuse; handling a disclosure; the purpose and role of Child Protective Services investigations; and community resources.</p>
<p>Bullying Prevention Training for School Administrators, Faculty, Teachers, Parents and Coaches</p>	<p>This training provides participants with a better understanding of New York State Education Law regarding policies and guidelines for responding to and reporting incidents of bullying, discrimination and harassment. Discussion includes the dynamics of bullying; bullying vs. typical "picking on" behaviors; the dynamics of victims; the effects on victims, witnesses, and peers; handling a disclosure; warning signs; prevention; and consequences. Discussion addresses how to create a systemic change in the school culture; sustaining a safe and comfortable environment free from violence; and resources to develop protocol for reporting in compliance with The NYS Dignity for All Students Act.</p>

New York State Education Standards

Prevention Education programs from the Albany County Crime Victim and Sexual Violence Center address the New York State Education Standards of *A Safe and Healthy Environment* and *Resource Management*. These programs will encourage student self-management and relationship management as they pertain to interpersonal relationships, abuse and violence.

Standard 1: Personal Health and Fitness - Students will have the necessary knowledge and skills to establish and maintain physical fitness, participate in physical activity, and maintain personal health.

Standard 2: A Safe and Healthy Environment - Students will acquire the knowledge and ability necessary to create and maintain a safe and healthy environment.

Standard 3: Resource Management - Students will understand and be able to manage their personal and community resources.

Scheduling a Program

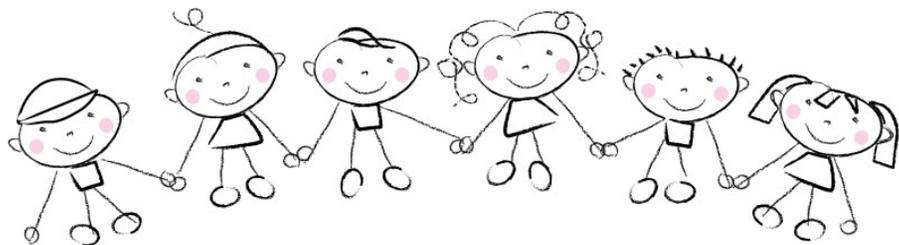

To arrange programs for grades 9-12, colleges, businesses, or professional groups, please contact Renisse Bains at renisse.bains@albanycounty.com or (518) 447-7100. To arrange programs for grades K-8, please contact Kaitlin Wax at kaitlin.wax@albanycounty.com or (518) 447-7100.

ELEMENTARY SCHOOL PROGRAMS

<p>Healthy Friendships</p>	<p>This program allows students to explore and discuss the characteristics of a healthy friendship. The lesson emphasizes and discusses two essential characteristics of a healthy friendship: <i>communication</i> and <i>respect</i>. Students will use this lesson to identify healthy relationships within their own lives and learn how to sustain them.</p>
<p>Bullying</p>	<p>This program involves a brief activity and discussion using a storybook about bullying. Students discuss what bullying is, how to recognize it, the effect on victims, and how to become an active bystander. Students will be encouraged to formulate a plan to prevent and confront bullying in their environment.</p>
<p>Personal Safety</p>	<p>This program allows students to identify personal body safety rules for school and home. Students discuss boundaries in regards to personal space; and who and when to tell when their boundaries are violated.</p>
<p>Cyber-Bullying</p>	<p>This program encourages cyber safety and security. Students discuss the benefits and challenges of technology; and the use of online and digital media for communication, learning and positive interactions. Students review examples of potentially harmful interactions, generate and discuss solutions and plans for personal and emotional safety.</p>

MIDDLE SCHOOL AND HIGH SCHOOL PROGRAMS

Healthy Relationships	This program helps students to identify healthy and unhealthy characteristics of relationships and develop effective communication skills. Discussion encourages students individually and collectively to think about their views of healthy relationships and what they value in a friend or dating partner.
Bullying and Bystander Intervention	This program defines bullying, discusses the effects on victims, and identifies potentially harmful situations and behaviors. Students learn bystander intervention techniques and are able to identify specific actions and dialogues for utilizing bystander interventions in their own lives.
Relationship Violence	This program explores the types of abuse (physical, sexual, emotional and verbal) as well as the cycle of violence and how it appears within an abusive relationship. Discussion includes warning signs of an abusive relationship, community resources, and how to help a friend or loved one who may be experiencing abuse.
Sexual Assault	This program addresses basic sexual assault definitions and prevention methods. Students discuss NYS consent laws and their application to minors; the most common date rape drug (alcohol) and it's use; and resources to use if they, a friend or a loved one are a victim of sexual assault.
College Prep	This program prepares high school students for being on a college campus. Students gain a better understanding of violence that occurs within dating relationships; warning signs of an abusive partner; and indicators of healthy and unhealthy relationships. Discussion includes common myths about sexual violence; NYS consent laws and their application to minors; sexual assault prevention; date rape drugs; common responses from victims; and how to help a friend or loved one. Students are provided with campus and community resources.

COLLEGE PROGRAMS

New Student Orientation	This program provides information about sexual assault prevention; relationship violence prevention; bystander intervention skills; how to help a roommate, friend or loved one; and campus and community resources. Discussion includes common myths; NYS consent laws; date rape drugs; stalking; and reporting and medical options.
Sexual Assault	This program provides information about NYS consent laws; date rape drugs; myths and facts; community resources; and reporting and medical options. Discussion includes common responses and emotions of sexual assault victims, and how to help a friend or loved one.
Sexual Assault Jeopardy	This program is a fun and interactive way to challenge participants' knowledge and awareness of issues surrounding sexual violence, including date rape drugs, relationship violence, consent, sexual harassment, and offender dynamics.
Relationship Violence	This program provides information about the types and characteristics of intimate partner violence; the warning signs of an abusive partner; the obstacles to leaving an abusive relationship; how to provide options and support to a friend or loved one; and community resources. Discussion encourages students individually and collectively to think about their views of healthy relationships and what they value in a dating partner.
Bystander Interventions	This program utilizes the Mentors in Violence Prevention Curriculum, which educates, inspires and empowers men and women to prevent, interrupt and respond to violence. This program aims to raise awareness of issues of violence; challenge students to think critically and personally about these issues; and inspire them to be proactive leaders by providing concrete options for intervention in potentially dangerous situations.
Resident Administrators, Directors and Assistants	This program provides the resources and tools to respond to incidents of violence that occur on campus. Discussion includes relationship violence; sexual violence; stalking; harassment; consent; handling a disclosure; campus and community resources; and reporting and medical options.
Peer Educators and Peer Counselors	This program provides basic information about sexual violence and relationship violence. Participants will be given resources to address these issues, including community referrals; hotline numbers; safety plans; crisis intervention skills; and reporting and medical options.
