

## **COUNTY OF ALBANY**

### **Title VI Compliance, Monitoring, and Public Notice**

---

#### **Contract Compliance**

Contractors and subcontractors from Albany County are responsible for complying with the Title VI Program of the County. Albany County shall be responsible for ensuring that contractors are aware of and comply with Title VI requirements. Appropriate language requiring compliance shall be included in each contract with the County.

#### **Notification to the Public and Community Outreach**

Under Title VI, Albany County is required to provide information to the public regarding the County's obligation under Title VI regulations and apprise the general public of the protections against discrimination afforded to them by Title VI. Albany County shall disseminate this information to the general public by posting the Albany County Title VI Policy Statement on the County's website and in public areas of the County's offices, including meeting rooms, bulletin boards, and the County Planning Department. The public is invited to participate in the legislative process.

#### **Monitoring**

Albany County is responsible for complying with Title VI regulations and also ensuring that any contractors to the County are in compliance. Accordingly, Albany County shall regularly monitor contractors for compliance and shall prepare annually a Title VI Program outlining the efforts of Albany County to comply with Title VI.

#### **Training**

County employees and sub-recipients shall receive training regarding the obligations and rights involved in the Title VI program. In-service training programs for employees will be conducted and County Officials shall continually apprise staff of their responsibilities to render a high quality of services to all clients regardless of their race, color, national origin, or English proficiency.
